6. HSC/Kirshstein Briefing. Fred Kirshstein has been assigned the area of overlap, waste, and duplication in technical intelligence collection. He seeks, in a non-adversarial way, guidance and enlightenment as to where he might best focus his efforts. He requested interviews in the following offices, which I arranged for 18 August: DDS&T [redacted] 9:00 a. m.; DDI (Proctor, with me attending) 11:00 a. m.; OPR [redacted] 1:30 p. m.; OSR (Lehman) 3:00 p. m.; CGAS [redacted] 4:30 p. m.. He will contact [redacted] separately. (cc: HSC Briefings File, DDI, DDS&T, CGAS, OPR, OSR and IC).
